EVENTS | ROCKS GALORE DURING 55TH ANNUAL GEM AND MINERAL SHOW

The Lake Havasu City Aquatic Center transformed into a rock oasis for the 55th annual Gem and Mineral Show. The event showcased numerous vendors, including members of the Lake Havasu Gem and Mineral Society. Attendees enjoyed on-site dining, live demonstrations, and a youth scavenger hunt. Proceeds from raffle purchases benefited the organization's scholarship fund, which awards local students in earth science fields.
